CAPITAL AND LABOR.

"Taylorville Miner" Tells the Story of the Last Big Strike in This Valley.

Below will be found "Taylorville Miner's" version of the celebrated strike of 1877. This letter is the fourth in the series. The other three were published on Jan. 6, 15 and 20 respectively.

Editor of the Tribune—

Sir: Still another reminiscence of a strike which took place in Lackawanna valley in the year 1877. This strike was inaugurated by the miners for an advance of wages of ten per cent., and continued for three months.

THE RESULT.

Well, what was the result of this strike? I have to admit that it terminated like the others, a total failure. We were glad to resume work at the same wages as before.

BURGLARY AT CLUB HOUSE.

Headquarters of Excelsior Social Club Robbed Sunday Evening.

A daring burglary was committed late Sunday evening, when some thief, or thieves, broke into the club house of the Excelsior Social club, on Washington avenue, and rifled the contents of a poor box, amounting to about \$15.

THE GENERAL SITUATION.

Now as to the general situation which you also require me to write on. I have endeavored to hunt up the measures passed or on passage with a likelihood of becoming laws and present the results.

COL. SANDERSON ON THE CITY'S FINANCES.

WHY HE OPPOSED OPENING WYOMING AVENUE.

He Believes That the City is Living Beyond Its Income and That Unless Revenues and Expenses Are Made to Meet There Will Be Serious Trouble Some Day—An Interesting Letter.

The other day a knot of gentlemen were discussing the opening of Wyoming avenue and surprise was expressed that Colonel Sanderson, who was one of the party, should oppose what seemed to be so desirable an improvement.

The average taxpayer is unfamiliar with the financial affairs of the city and often demands that things be done in defiance—through ignorance—of the principle of business of cutting our expenditures according to the cloth we possess.

DOWN TO FIGURES.

The ordinance for opening Wyoming avenue, if constitutional, has fixed an indebtedness of \$2,712.50 on the city. This is a direct indebtedness and will bear interest at the rate of 6 per cent. per annum till paid or \$3,228.15. In addition, the viewers costs of about \$2,000 will have to be paid.

THE QUESTION OF REMEDY.

Now, is there a remedy? I think it doubtful under the prevailing ideas among councilmen who as a general rule have the rural ideal and the "North End," "West Side," "Central Side," and "Central City" as the questions and not the whole city.

TAKEN TO THE HOSPITAL.

Injured Jessup Miners Brought to the City Yesterday.

August Bonanni and Americo Marangola, the two miners who were shot at Jessup Monday afternoon by Peter Chiapramo at a christening at the home of Giovanni Chiardi, were yesterday brought to this city and taken to the Lackawanna hospital.

ARTHUR NIKISCH

Conductor of the Leipzig Gewandhaus Orchestra, the Berlin Philharmonic Orchestra, and recently of the Boston Symphony Orchestra, one of the world's most distinguished musicians, and a pianist of rare capacity, writes as follows concerning the

Mason & Hamlin Pianos

I believe your Pianos to be of the very first rank, and the artist must necessarily feel a sense of gratitude to you for making possible the means for an expression of his profound and deep, or his light and fanciful feelings.

(Signed) ARTHUR NIKISCH.

We delight in showing the Mason & Hamlin Pianos to all persons appreciating an absolutely artistic Piano.

slinking fund and interest. This was distributed as follows, viz:

Table with 2 columns: Department, Amount. Includes Mayor's department, City treasurer's department, City controller's department, etc.

With the exception of deficiencies these may well be termed fixed charges, for they can hardly be reduced much. In the appropriation for general city purposes included the judgment and incidental item of \$1899 above alluded to but which being an average annual appropriation, I have treated as a fixed charge.

Other measures to have been passed, or are under way, the following additional obligations, viz:

Table with 2 columns: Department, Amount. Includes Fire department, Electric lights, Inspector of electric lights, etc.

Last appropriation ordinance (which exhausted the revenue) \$1,614.21

Above increases 1,651.21

Less deficiencies 6,888.20

\$48,763.45

or an increase of \$10,753.55 over last year's appropriations, which, as I have said, exhausted the revenue.

It is manifest it will be bitterly opposed.

On him, one lodging in his right leg and the other in the left shoulder.

Like Bonanni he was at a loss to account for any reason for the deed but both men seemed to think it had been done out of sheer malice.

They say Chiapramo is a quarrelsome fellow, always looking for trouble, and he bears a bad name in the neighborhood. August Esconi, on the contrary, was a splendid specimen of the peaceable and law abiding citizen.

The police officers who brought Chiapramo to the city made the remark that Esconi was one of the best Italian miners in the valley and they never had the least trouble with him.

Chiapramo rested quietly at the jail yesterday and though his injuries must have pained him considerably, still he did not give any visible indication, and maintained the same sullen attitude that he adopted when he first came to the jail.

Coroner Roberts went to Jessup yesterday afternoon and performed an autopsy on the body of Esconi. The examination showed that two bullets took effect, one in the right arm above the elbow, the other which was the first fired by the murderer and the fatal one, entered the body between the fourth and fifth ribs on the right side and lodged in the vertebra, causing instant death.

The following jury was empaneled by the coroner: P. F. Godfrey, John McGurl, John Lally, James Kelly, John Collins and Frank Guidon. An inquest will be conducted later.

DELIGHTFUL ORGAN CONCERT.

Given in Elm Park Church Last Evening.

Never has a more delightful organ recital been given in this city than that of last evening at Elm Park church when Mr. Pennington, assisted by Miss Timberman's pupils, presented an excellent programme. The organ numbers were exceptionally well chosen.

The exquisite, andante movement from a cello sonata in a minor by Goldberg when Mr. Pennington, assisted by Miss Timberman's pupils, presented an excellent programme. The organ numbers were exceptionally well chosen.

The vocal numbers were given by Miss Timberman and several of her pupils. The first was a noble part "O Host Redeemer," sung by a double quartette with Miss Timberman's wonderful vibrant tones as a rich obbligato.

Miss Grace Spencer sang a sacred solo, filling the vast audience with her clear ringing tones.

Miss Thomas and Mr. Grieg rendered "The Cherubic Host," their splendid voices giving an obbligato for the double quartette who sang the chorus work.

It was, in every respect, a most satisfactory evening of music and was enjoyed by a vast audience.

A HUSTLING LOVER.

Divorced on Monday and Married Again Yesterday.

Willis A. Clark, of Nicholson, who was granted a marriage license yesterday to wed Miss Golda A. Darrow, also of Nicholson, was divorced in the Susquehanna county courts on Monday.

The couple returned to Nicholson after securing their license in this city and were united last evening.
